## TEAM BUILDING

Why not combine your meeting with a game of golf on the Nick Faldo designed Championship Course. Every hole at Chart Hills has a unique and memorable personality like the 200 yard long Snake like Anaconda Bunker on the 5th and the island green on the 17th. Only available on selected Days.

Alternatively, why not consider a meeting followed by lessons with our resident Pro or use of our Extensive practice facilities, which include a driving range, putting green, chipping area and a Short game area.
